1. The first thing I noticed when I stepped
out of the plane was the fresh air. It felt like
I had been in a bubble for hours. The sun was
shining brightly, and the birds were singing.
I took a deep breath and felt a sense of
freedom. I had been waiting for this moment
for so long. I had been told that the view
from the plane was amazing. I had heard that
the food was delicious. I had read that the
service was excellent. And now I was here.
I was on the plane. I was flying. I was
free. I was happy. I was alive. I was
in the world. I was part of it. I was
living. I was breathing. I was feeling.
I was everything. I was everything.
